Communications without Frontiers

## T60Y T65Y PoC Portable Radio

Large capacity battery

Single/Group call

Loud Speaker

- Global PTT Service
- Support NFC, Bluetooth and Wi-Fi
- Professional Appearance for Commercial Users
- Easy-to-deploy & Easy-to-expand Network

# Highlights

## Global PTT Service

Users can use PTT service globally via public mobile network.

## NFC(optional)/ Bluetooth/ Wi-Fi

Bluetooth and Wi-Fi provide flexible ways of using PTT service in various working environments. NFC brings more possibilities for extensible application, such as patrol system.

## Flexible Call Features

Provides various call types, such as private call/ group call/all call/alarm call. It supports real-time storage of recordings to local and one-click playback or download on-line recordings through the dispatch platform.

## High Audio output

Provides clear and high audio output, which is suitable for users in noisy environments.

## Multiple dispatching services

Working with dispatching platform, provides functions such as stun, kill, revive, Geo-fencing and track playback. Relevant applications can be developed to provide specific business solution.

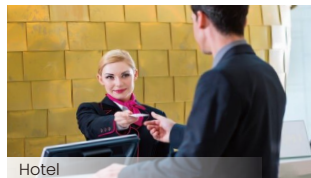

# Applicable Industry

Airport

Security

Hotel

Logistics

# Specification
